

Common Thread
sewing with purpose

To celebrate the International Year of Cooperatives, **Common Thread Cooperative** has designed a unique **IYC 2012 Tote Bag**. The bags are made in Vancouver, British Columbia where we provide access to employment for people who thrive in our flexible work environment.

These beautiful, high-quality tote bags are made from colourful recycled street banners that would otherwise be thrown away. The standard bag size is **14.5" X 17"** and includes the IYC logo sewn into an outside seam **or** a top-stitched label on the front of the bag with your logo or event information. We can also make the bags to your specifications.

with side-seam label

Our 100% recycled tote bags are great for:

- **Gifts**
- **Annual General Meetings**
- **Conferences**
- **Fundraising**

with top-stitched label

We are pooling orders for bags with IYC side-seam labels to make them affordable for all co-ops and credit unions. You can get yours for **5.50 each** (not including taxes or shipping).

To order IYC side-seam label bags or to find out about other design options, please contact melanie@commonthreadcoop.ca or phone me at **604-736-0935**.

Let's make our year a wonderful success!

Melanie Conn
